“ We are thinking about you and your family, Donna. Losing a mother is one of the most difficult thing that happens to us in our lives. [I know you understand loss]. The good thing is, they are always with us in our good thoughts and memories. We never forget them.

“ I will never forget holding my great grandma's hand on the way home from the airport when I was little. It was so delicate and small. She was so sweet and will be dearly missed.

“ To Clois' family,

I am sorry about Clois' death. I remember Harold & Clois being members of the Fairfield Township Farm Bureau and the kids being 4-H members with my siblings and I as we were growing up. You were so fortunate to have her so many years! I hope your family memories will help you through this difficult time. You are in my thoughts and prayers!

“ My aunt Clois had a vivacious laugh. Her smile could melt your heart. She was a kind soul and a treasure to be able to know.

“ I was blessed to have known Clois. I have fond memories going to her house with my grandma Mary (they were neighbors). She always had a treat for me. She was a classy lady, had her hair done, make up and nvm jewelry on. Later in life I was able to visit her in the nursing home (my husband John was a resident there also) she shared her memories with me. She still had here hair done, make up and jewelry on. She is now at peace with her husband. My love and prayers for her family God bless.

“ Clois was my Great Grandmother, whom I loved dearly. Her little smile could brighten up any room.

She was so very proud of all of her grandchildren and great grandchildren; Shawna Kull, Shellie Kull, Mike Kull, Amy Taylor, Jordan Silvers, Brent Silvers, Nichole Silvers, John Silvers, Morgan Thompson and Chance Thompson.

As much as we all adored my Great Grandma, nobody has loved her more than my Mom, Jane. Grandma and my Mom have been by each other's side and have cared for each other my Mom's entire life, and for the last 20 years my mom has been right by her side as her age began to take it's toll.

My wife and I along with the family that have loved her and cared for her will miss her so very much.
